SRS has a Concussion Service and accepts referrals from ACC, GP's Accident and Emergencies/Medical Centres or hospital. We have an experienced team who can see children and adults aged from birth throughout adulthood. We can see those who have had a concussion in the last 12 months across the Auckland region - from Pokeno to Wellsford. Our team has a wealth of experience in working with children, families and adults following concussion or traumatic brain injury. The team assists and advises with a return to school or work and all usual activities as soon as possible.

The SRS team includes:

- ✓ *Jo Falloon - Occupational Therapist and Concussion Service Lead for SRS*
- ✓ *Occupational Therapists*
- ✓ *Physiotherapists*
- ✓ *Speech and Language Therapist*
- ✓ *Psychologists*
- ✓ *Neuropsychologists*
- ✓ *Medical Specialists*

For further info about the service and the referral process please contact our service lead. *Jo* is also available to come in and chat at a team meeting and can be contacted on 021 2484 212 or jof@srsltd.co.nz
